

Daily Play

Recommended Box Per Driving Distance

Red - 165 or less Blue - 225-265

White - 165-225 Black - 265+

- Tree lines are played as lateral red hazards
- Ball drops are located on the opposite side of water hazards
- OB is defined by white stakes, property fences and roadways

Pace of Play

Please note our "Time Par"

- Select 3 or 4 clubs when walking to your ball
- Shots should be played in 30 seconds or less
- After warning, groups may be required to move to correct position to maintain Time Par

Course Care

Please leave fairways & green surfaces "better than you found them" by repairing your ball mark plus 1 other and filling your divot plus 1 other.
